To Chosing A Site for TOXIC Waste Incinerators

First, Get your hands on a site.

Then, Make sure its:

~~Not~~ on a Gas Pipeline ✓

~~Not~~ on a Flood Plain ✓

~~Not~~ next to schools, colleges, prisons etc ✓

~~Not~~ subject to coastal erosion ✓

~~Not~~ in a valley prone to fogginess ✓

~~Not~~ in an area with any tourist or amenity value ✓

~~Definitely not~~ with an exploding metal works in it's centre ✓

Not on a volcano or earthquake ✓
